## **Houston Horizon Chorus Circle of Friends**

The Houston Horizon Chorus has been warming the hearts of audiences since 1981. Our exciting a cappella performances feature an entertaining mix of musical styles while continuing to preserve barbershop harmony. Barbershop is one of only four types of music native to this country and we are proud to be a part of and carry on this great tradition.

The Houston Horizon Chorus is a 501(c)(3) non-profit educational organization, which relies on the encouragement and support of the community to sustain the high level of our performances and educational programming. Ticket sales cover only a portion of our costs. For the balance, we rely on dues paid by our singers, and on the financial support from individuals, foundations, and corporations.

We truly appreciate the support of our many friends, community groups, business and corporate sponsors, and foundations that help us sustain our artistic level of excellence and support our educational programs. We invite you to become part of our musical family by contributing to our growth and success by joining the Houston Horizon's **Circle of Friends**. Your tax-deductible gift will go a long way in helping us continue to offer high-quality performances and educational opportunities to women of all ages. To maintain active membership status, members must contribute on an annual basis. You can join us by making an annual tax-deductible gift at the following levels:
